OCLC Discount Program
Effective for the period January 1, 2009 through June 30, 2009

Subscription Credit (prepayments): A subscription credit equivalent to 4.00% Annual Percentage Rate (APR) will be applied to account balance at the end of each month based on that month's average daily balance.

Standard Payment Terms:

Net amount payable 45 days from date of invoice.

Prompt Payment Terms:

Discount of .08% (.0008), which is equivalent to 2.00% APR is credited for payments received on or before the last day of the month following the invoice date.

Late Payment Terms:

Late payment service charge of 1% (12% APR) is imposed on charges outstanding in excess of 45 days from the date of the invoice. Late payment service charges will be assessed monthly and will be calculated on the total number of days past due.

Withdrawals:

Withdrawal of remaining subscription balances (or portions thereof) is subject to a written request.

*-Annual percentage rates indicated are rounded.
