ELM is a collection of research and information databases that Minnesota residents can access at elm4you.org and Minnesota schools or libraries can link to directly at no additional charge.

For more information: minitex.umn.edu/elm/
For instruction on using these resources: minitex.umn.edu/events/elm4you.org/contact/
For technical or informational support: elm4you.org/contact/

For Librarians & Educators

Electronic Library for Minnesota

ELM is brought to you by your local library or school library, Minnix, and State Library Services, Minnesota’s state library agency, with state appropriations to the Minnesota Office of Higher Education and the Minnesota Department of Education.

Academic Search Premier
Contains the full text for thousands of scholarly publications across all academic disciplines.

Reference Library
Offers separate home pages for adult and child users, providing age-appropriate encyclopedia content for everyone.

Business Source Premier
Full text for scholarly journals and trade publications across all business subject areas, including detailed company profiles and market research.

Consumer Health Complete
Designed to support the information needs of patients and to foster an overall understanding of health-related topics.

eBook Collection
Full text of thousands of books in the arts, humanities, social sciences, life and physical sciences, business, computers, and more, including CliffsNotes and Nolo books.

Explora Library
Full text of popular magazine and scholarly journal articles covering all subject areas, including multimedia, primary source documents, and reference books.

Gale Virtual Reference Library
Collection of 25 online reference books and encyclopedias covering topics from art to history to medicine.

GPO Monthly Catalog
Covers all types of U.S. government documents, including Congressional reports and records, judiciary materials, and documents issued by executive departments.

Informe Académico
Contains popular Spanish-language and bilingual periodicals.
