

# Electronic Library for Minnesota

for Health Information

ELM is a collection  
of research and  
information databases  
for Minnesota residents.

**Alt HealthWatch**

Full-text articles for international journals and reports covering complementary, holistic, and integrated approaches to health care and wellness

**Consumer Health Complete**

Designed to support the information needs of patients and to foster an overall understanding of health-related topics

**Health Source: Consumer Edition**

Collection of consumer-oriented health magazines, pamphlets, and reference materials

**Health Source: Nursing/Academic Edition**

Scholarly full-text journals focusing on many medical disciplines including strong coverage of nursing and allied health

**MEDLINE**

Index of thousands of records covering all areas of medicine including dentistry and nursing

Funded by state taxes and brought to you by your local library, Minitex, State Library Services, Minnesota Office of Higher Education, and Minnesota Department of Education
